WORK EXPERIENCE

Associate | TK Maxx, White city, London Oct 2025 – Present

- Delivered excellent customer service and collaborated with team members in a fast-paced retail environment while balancing postgraduate studies.
- Maintained accuracy when handling customer transactions and day-to-day store operations, demonstrating attention to detail, adaptability and effective prioritisation under pressure.

Strategy Consultant | Practera / Tiraverse Ltd, Remote June 2026

- Completed a 2-week experiential micro-internship programme facilitated by the University of Westminster, embedded as part of a five-person advisory team working with a real London-based B2B SaaS start-up.
- Developed a go-to-market strategy, conducting secondary research across the UK B2B SaaS landscape and producing data-driven financial benchmarks to contextualise the client's competitive position.

Business Manager | Godavari Hi-Teak Doors, Telangana, India Aug 2024 – Aug 2025

- Managed financial records, monitored daily sales performance, and maintained inventory accuracy to support business operations.
- Managed client relationships and negotiated pricing to achieve business targets.

Founder | Foreverten.in, Remote June 2022 – July 2023

- Built and managed an online retail business, overseeing budgeting, cash flow, digital marketing and day-to-day operations for an e-commerce venture.
- Developed skills in entrepreneurship, cash flow management, and decision-making.

Marketing and Management Intern | Fxmtrack Financials, Remote July 2023 – July 2023

- Supported client acquisition through data-driven marketing campaigns.
- Coordinated with team members, enhancing communication and leadership skills.
- Gained exposure to financial products and client servicing in fintech.
